Fun and games

The title of the May meeting was "Games Night". Our host Carwyn had given us no clues at all so it was a total mystery. All was revealed when our Games-master arrived with the equipment for a Bingo session. Carwyn was a real professional bingo caller using the traditional names for each number eg two little ducks, legs eleven. So it was eyes down as everyone concentrated on their bingo card. Some seemed to be streaking ahead while others were sadly lagging behind. Eventually we heard the shout "Bingo" and the winner was John Rees. Another round followed which was won by Tony Clifford. Carwyn then gave us a Treasure Hunt style of activity where we had to name places in Wales from the clues given. Finally there was a Guess Who activity where volunteers were given a name.

Others then asked questions to enable the identification of the mystery person.

A big thank you to Carwyn for a very entertaining evening. A special mention also for his very efficient assistant : Mrs Menna Hughes who kept the contestants in order and awarded the prizes to the winners.

Time Travelling?

In June we travelled back to the 1940's for afternoon tea in the 19 Fourteas Tea Room in Havant. The tea room is equipped with range of 1940's era furniture, ornaments, clothing, photographs and newspaper articles

from WW11. Music from the era is played in the background as well as an occasional news bulletin. The menus were in the style of ration cards and the place mats were newspaper articles from the war years.

Our hostess Betty, was dressed in period dress complete with curlers under her headscarf.

The tea was loose leaf in traditional teapots with cosies so we had to keep reminding ourselves to use the tea strainers.

The High Tea was served on a three-tier cake stand and consisted of a variety of sandwiches, savoury items and cakes.

It appeared that we all had hearty appetites as there was very little left on the cake stands by the end of tea-time! We did however manage to provide a selection of cakes to put in "Doggy Bags" for those members unable to be with us.

A very pleasant afternoon spent in good company. We were on our best behaviour under the watchful eyes of these "officers of the law"!

Barbecue Time

Our get together in July was the annual barbecue held at Sue and Roger's home. The weather had been looking rather changeable but just in time the sun shone and we were able to sit in the garden and enjoy a lovely barbecue. A big thank you to Sue and Roger for their excellent hospitality and catering as always.
