Tachwedd & Rhagfyr / November & December 2022

Memory Lane

The November meeting was Part 2 of our Photos from the Past and presented by Tony Phillips. Earlier in the year we had viewed photos taken from the photograph albums of the Society which dated from 1980 – 1994. For this session we moved to the digital age and viewed photographs from 2000 to present day.

There were photos of several 1st March Dinners, Afternoon Teas, Christmas Celebrations, Visits to places and more. As well as looking back on the life of the society the photographs also gave us an opportunity to remember many members from the past.

Y Nadolig – Christmas

Our Christmas meeting in December, known as Natter, Nosh and Noggin is guaranteed to put everybody in the festive spirit. Judging by the number of colourful Christmas Jumpers and some festive headwear we were already feeling quite jolly. N.N.N. is a chance to chat and enjoy a delicious lunch and to take part in a celebration of the Christmas story.

The meeting began with a Christmas Quiz set by Carl. There were 30 questions on the theme of Christmas and many of them really made us think! There was a great deal of discussion as each team tried to agree on the correct answers. For those who missed it here are a few of the questions from the quiz:

1. Which King is the first to be depicted on a British Christmas stamp after a Blue Peter competition in 1963?
2. What metal was tinsel originally made of when first created in 1610?
3. What is 92 - 95% of snow made of?
4. What is an Erithacus Rubecula?

Well done to the winning table who scored 15 points.

After exercising our brains, we had some well-earned "Nosh" and a good "Natter" with a variety of "Noggin". We then came to the traditional celebration of Christmas led by Huw and Ellen. There were readings in Welsh by Carwyn, Sue H and Beverley. We sang some of our favourite carols in Welsh and in English. Morfydd told us a story and of course she also told some of her Christmas jokes! Then to conclude the celebration, Phill was called on to say a prayer and he invited us to reflect on the message it conveyed.

The Christmas post was delivered, and we sang the anthem before wishing each other a *Nadolig Llawen* and a *Blwyddyn Newydd Dda*.
